

# Disc King's "KING PIN"

Available in any of the 216 RAL colors, in any color combination. The powder coating is applied over the top of an acrylic E-coating. The coating is designed to completely cover all exposed steel parts, extending the life of your baskets.

The chains are standard 2/0 long straight coil, zinc coated steel chain.

All our permanent targets include pole with locking tab, and anchor with locking tab, no need to pay for extras or "frills".

Both our permanent and portable targets retail for \$375.00.  
Wholesale prices and shipping may vary.
